As you can imagine there are a number of changes and guidelines that we have had to put in place for our Bal Vikas (SSE) family, allowing us to resume in person teaching safely as possible.

Our guidelines are as follows:

- Please follow the latest NHS and Government guidelines about symptoms of COVID-19, when to self-isolate and if you need to quarantine when you arrive in England from abroad.  
**IF IN DOUBT, PLEASE DO NOT COME TO THE CENTRE TO HELP PROTECT OTHERS**
- You are asked to enter the hall via the normal entrance, do not congregate at the entrance
- 3. We recommend that everyone over the age of 12 attending the centre wears a mask and maintains social distancing rules. We ask you and your children to please bring your own masks.
- Please also do not hug or shake hands with others
- We also ask that you use the hand sanitisers which will be provided
- If you your child tests positive for Coronavirus (COVID-19) within 7 days of attending that day's Bal Vikas (SSE) class or bhajans, please immediately notify your Bal Vikas (SSE) teacher on their mobile or email [sse.tooting@gmail.com](mailto:sse.tooting@gmail.com). After taking advice from the centre President the Bal Vikas (SSE) teacher may notify other parents on the class WhatsApp group. No names will be mentioned of either the student or the family who has reported a positive test
- We ask that you and your children arrive at Fircroft School from 10:15 to allow time for registration. There will be a registration desk at the entrance of the hall where we will be collecting your name and contact number as part of the NHS Track and Trace System. Your details will only be used to contact you in an event of a Coronavirus (COVID-19) outbreak at this centre when you have attended and will be disposed of in 21 days. We will also take your temperature at this time.
